

# Smart School 360

“School and College Bell System” With Automatic Scheduling, Siren Sytem,PA System,MP3 Player ,Zone Control and more

Smart School 360™ Builds Strong Minds, Healthy Habits and Safer Schools and Colleges

## Your Challenges

- 1** A dedicated person is always required to operate the bell on time.
- 2** Timely bell ringing is not possible due to various human errors.
- 3** No addition features such as music integration for emergency alarms,water bell etc.
- 4** Low audibility bells and Announcements not clearly heard across campus.
- 5** Confusion in bells when two or more parallel schools are operating English medium, Marathi medium, college etc.
- 6** No emergency alert system No instant siren for critical situations.
- 7** No zone control control for zone specific announcement our to mute the floor during exams
